Total annualized Capital/Startup costs		
Total annual costs (O&M)		
Total annualized cost requested		
Difference		
Explanation of difference Program change Adjustment		
Other changes** One participant demographic question has been revised to meet new standards. This revision changes question 17 to be about student participation by sex, rather than gender, and it reduces options to only male and female. In addition, the number of grantees has decreased slightly, thus decreasing the number of responses by one and the burden hours accordingly.
