Decision Information Resources (DIR) is working with MDRC, to conduct a study on the Stepped and Tiered Rent Demonstration at the **[PHA NAME]** on behalf of the U.S. Department of Housing and Urban Development, authorized by Section 501 of the Housing and Urban Development Act of 1970. Your responses will help the Study Team understand how the new rent policies affect the families participating in this study.

Your responses will not be shared with the **[PHA NAME]**. After the study is complete or at HUD's request, the Study Team will transfer your data with your responses to HUD, which will be combined with other study information we have collected from you. HUD intends to use your information only for research. We recognize that this information is sensitive and protected by the Privacy Act. HUD has published a System of Records Notice entitled Stepped and Tiered Rent Demonstration Evaluation Data Files, which describes how the information collected is protected and to whom it may be disclosed. The notice is available at hud.gov/privacy.

Only surveys that are approved by Office of Management and Budget (OMB) may be fielded in this study. This survey is approved by the OMB, and assigned OMB Approval No. 2528-0339.

Completing the questionnaire is voluntary and you may skip any questions you do not wish to answer. Your participation in this survey will not affect your participation in the [voucher/public

housing] program, the Stepped and Tiered Rent Demonstration, or any benefits you may receive now or in the future.

The survey should take about 15 minutes.

***We must also ensure effective communication and provide reasonable accommodations for individuals with disabilities throughout this study. Please let us know if you require a reasonable accommodation and the best method to use to communicate with you. We will also provide meaningful access to persons with limited English proficiency. You can complete the survey in English, Spanish, and Arabic. Please let us know if you would like to complete the survey in a different language. The survey can be completed over the phone or online, and the online survey is accessible for individuals with disabilities.

Do you have any questions or concerns about completing the survey?

[If no questions or concerns with proceeding] Great. Thank you. Let's get started.

[If not able to or does not want to complete the questionnaire during study enrollment]
Would you be willing to complete the questionnaire over the phone at a later time?

[If agreeing to complete the questionnaire over the phone at a later date] Thanks,
someone from the Study Team will call you sometime soon.
