AND ANNUAL MOVING TO WORK REPORT**

**ATTACHMENT B
TO THE MOVING TO WORK AGREEMENT
BETWEEN THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
AND MOVING TO WORK AGENCIES**

HUD is collecting the information in this Form 50900 in order to evaluate the impacts of Moving to Work (MTW) activities, accurately and timely respond to congressional and other inquiries regarding outcome measures, and identify promising practices learned through the MTW Demonstration. The information collected through this Form 50900 is not confidential. The 39 Initial MTW public housing agencies, designated as of December 15, 2015, will report outcome information on the effects of MTW policy changes on residents, operations, and the local community. The estimated burden for each of the Initial MTW PHAs is 115 hours annually. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden, to the Reports Management Officer, REE, Department of Housing and Urban Development, 451 7th Street, SW, Room 4176, Washington, DC 20410-5000. When providing comments, please refer to OMB Approval No. 2577-0216. Responses to this collection of information are required to obtain a benefit or to retain a benefit. HUD may not conduct or sponsor, and Initial MTW PHAs are not required to respond to, a collection of information unless that collection displays a valid Office of Management and Budget (OMB) control number.

GENERAL INSTRUCTIONS

Section Numbering: The sections are as follows: (I) Introduction, (II) General Operating Information, (III) Proposed MTW Activities, (IV) Approved MTW Activities, (V) Planned Application of MTW Funds, and (VI) Administrative.

Inapplicable Fields and Sections: For those text fields in the tables provided in Sections (II) and (V) that are not applicable, the MTW PHA should insert an "N/A." For those numerical fields in the tables provided in Sections (II) and (V) that are not applicable or have no value, the MTW PHA should insert a "0" (zero). Where a narrative portion of Sections (I), (III), (IV) or (VI) is not applicable, the MTW PHA should include the sub-section number and/or title and insert an "N/A."

Plan Year: The "Plan Year" is defined as the MTW PHA's fiscal year. The Plan Year is generally twelve months but may be longer or shorter if the MTW PHA is transitioning the start and end of its fiscal year to different dates. The MTW PHA should discuss the impact of such transitioning on Annual MTW Plan/Report submissions with HUD Headquarters and the applicable local HUD Field Office.

Format Requirements: MTW PHAs are required to provide information according to the order in this Form 50900.

- There is no prescribed format for presenting the required information in Sections (I), (III), (IV) or (VI) of this Form 50900, but all required information, outlined in the "Section-by-Section" Instructions, must be clearly provided.
- For Section (II) and Section (V), MTW PHAs must insert the tables as they appear in this Form 50900. These tables must be included in the Annual MTW Plan/Report as provided.
- The submittal of separate Excel versions of Section (II) and Section (V) is not required.
- MTW PHAs may continue to report on the discontinued "Standard HUD Metrics" section pursuant to

requirements of the previous Form 50900 (exp. 3/31/2024). HUD prefers that this same format be used if the MTW PHA also chooses to report on agency-developed metrics.

Submission Requirements (dissemination): The MTW PHA shall follow the submission requirements as set forth in its current MTW Agreement. All initial and revised submissions of the Annual MTW Plan and the Annual MTW Report must be sent in an electronic format to HUD Headquarters and the applicable local HUD Field Office via email. The MTW Coordinator will send an email confirming receipt after the submission is received.

Submission Requirements (file type): The electronic submission shall include a searchable PDF version (not a scanned PDF) of the Annual MTW Plan/Report or a Microsoft Word document version of the Annual MTW Plan/Report. The body of the Annual MTW Plan/Report shall be submitted as one file type and preferably in one file. The body shall include the HUD-generated tables for Sections (II) and (V). Supplemental materials (e.g. signed Board Resolution and other appendix information) may be submitted in a different file type.

Submission Requirements (hard copy): A hard copy submission by the MTW PHA is only necessary at the request of HUD.

SECTION-BY-SECTION INSTRUCTIONS

SECTION I: INTRODUCTION

Generally: MTW PHAs will include both short-term and long-term MTW goals and objectives in this section.

SECTION II: GENERAL OPERATING INFORMATION

Generally: Pre-formatted tables have been provided in this Form 50900 for MTW PHAs to provide the required housing stock, leasing and waiting list information in this section. These tables must be included in the Annual MTW Plan/Report as provided. The MTW PHA may include clarifying text in addition to these tables in the Annual MTW Plan/Report. An MTW PHA may also include updates to its historical housing stock or leasing tables as an appendix to the Annual MTW Plan/Report. The MTW PHA may reference such an appendix in Section (II) to direct readers to this information.

Section II.A: Housing Stock Information

General Description of All Planned Capital Expenditures: MTW PHAs are required to provide a general description and amounts of planned capital expenditures by development. Please note, this narrative should include all planned capital expenditures using MTW funding flexibilities, not just Capital Fund Program expenditures.

Section II.B: Leasing Information

Definition of Households Served: "Households Served" include all households that receive housing assistance, directly or indirectly, using any amount of MTW funds or Special Purpose Voucher (SPV) funds. Housing assistance through local, non-traditional MTW programs is included, as long as the activity conforms to the requirements stipulated in the Standard MTW Agreement and PIH Notice 2011-45 (or applicable successor MTW Agreement and/or PIH Notice).

Categories of Households Served: "Households Served" data will be reported in the categories defined below:

- **Public Housing Units Leased:** Number of households that reside in any unit of public housing authorized and funded under an Annual Contributions Contract (ACC) between the MTW PHA and HUD pursuant to the U.S. Housing Act of 1937.
- **Housing Choice Vouchers (HCVs) Utilized:** Number of households that receive rental assistance

through Housing Assistance Payment (HAP) Contracts (pursuant to an ACC between HUD and the MTW PHA) at a location selected by the household and not tied to a specific location OR households that receive rental assistance through HAP Contracts (pursuant to an ACC between HUD and the PHA) at a specific location that is not public housing. This number must not include port-in HCVs not paid for by the MTW PHA.

- **Local, Non-Traditional: Tenant-Based:** Number of households that receive assistance through an MTW tenant-based housing program outside of Sections 8 and 9 of the U.S. Housing Act of 1937. This includes all households at or below 80% area median income (AMI) that receive tenant-based housing assistance through MTW funds but not through traditional public housing or HCVs.
- **Local, Non-Traditional: Property-Based:** Number of households that receive assistance through an MTW property-based or project-based housing program outside of Sections 8 and 9 of the U.S. Housing Act of 1937. This includes all households at or below 80% AMI that receive property-based housing assistance through MTW funds but not through traditional public housing or HCVs.
- **Local, Non-Traditional: Homeownership:** Number of households that receive assistance through an MTW homeownership housing program outside of Sections 8 and 9 of the U.S. Housing Act of 1937. This includes all households at or below 80% AMI that receive homeownership housing assistance through MTW funds but not through traditional public housing or HCVs.

Households Receiving Services Only: HUD will track “Households Receiving Services Only through MTW-Funded Local, Non-Traditional Activities.” These households, however, will not be considered in the “Total Households Served/Units Leased” calculation used to determine if the MTW PHA is continuing to assist substantially the same total number of eligible low-income families as it would have had the MTW PHA not combined its funds (as set forth in PIH Notice 2013-2 or successor PIH Notice). The definition for households tracked in this category is:

- **Households Receiving Services Only:** Number of households at or below 80% AMI provided services through MTW funds and not assisted through any type of PHA housing assistance for the Plan Year. Households that are only receiving services and are also on one or more of the MTW PHA's housing waiting lists should be included in this category.

Unique Households Served (OPTIONAL): “Unique Households Served” through Local, Non-Traditional rental subsidy programs (such as short-term rental assistance, rapid housing, emergency housing, etc.) may be reported in this section. This is meant to capture units or beds that serve multiple households annually and show the true number of households served through LNT rental subsidy programs.

Section II.C: Waiting List Information

Waiting List Information Submittal: This section will include those waiting lists managed by the MTW PHA and those managed by a third party. MTW PHAs should provide information only on those waiting lists that contain households in the “Households Served” categories defined above for Section II.B. Waiting lists for households receiving services only.

SECTION III: PROPOSED MTW ACTIVITIES and SECTION IV: APPROVED MTW ACTIVITIES

Additional Metrics: MTW PHAs may report on agency-developed and previously established metrics.

SECTION IV: APPROVED MTW ACTIVITIES

Generally: This section includes four subsections: Implemented, Not Yet Implemented, On Hold, and Closed Out. Once an activity is approved it must be placed in Section (IV) under one of these four subsections. These subsections are defined below.

- **Implemented Activities:** MTW activities in which the MTW PHA is actively engaged.
- **Not Yet Implemented Activities:** MTW activities in which the MTW PHA is not actively engaged but is preparing to implement in the future.
- **On Hold Activities:** MTW activities that were previously implemented, that the MTW PHA stopped implementing, but that the MTW PHA plans to reactivate in the future.
- **Closed Out Activities:** MTW activities that
 - Were MTW activities, but are now obsolete because they no longer require MTW flexibility due to changes in regulation;
 - Were completed because the MTW PHA accomplished its stated objectives and no longer requires the use of MTW flexibility;
 - The MTW PHA has decided to end before attaining the activity's objectives; or
 - The MTW PHA has never implemented and does not plan to implement at any point in the future.
 In the year the activity is ended the MTW PHA is required to provide information about the outcomes of the activity.

Closing Out Activities: An approved activity must be closed out in an Annual MTW Report. If an Annual MTW Plan is to be submitted after the MTW PHA has decided to close the activity but prior to the submission of an Annual MTW Report, the to-be-closed activity should be listed in the "Not Yet Implemented Activities" or the "On Hold Activities" subsection of the Annual MTW Plan as applicable. The associated discussion and timeline should indicate that the MTW PHA will close out the activity in the next Annual MTW Report.

Significant Changes to Activities: HUD requires MTW PHAs to re-propose activities that require "significant changes." A "significant change" occurs when the nature of the activity has changed such that an additional MTW authorization is needed OR when an MTW PHA fundamentally changes the nature and scope of an activity to the extent that there is the potential for a different impact on residents (e.g. changing the calculation of rent). In these cases, the activity must undergo a new public process. HUD reserves the right to determine on a case-by-case basis if the change made to an activity crosses this threshold and therefore requires the activity to be re-proposed.

SECTION V: PLANNED APPLICATION OF MTW FUNDS

Generally: Pre-formatted tables have been provided in this Form 50900 for MTW PHAs to provide the required information in this section. These tables must be included in the Annual MTW Plan/Report as provided. The MTW PHA may include clarifying text in addition to these tables in the Annual MTW Plan/Report.

Note: the information collected in this section is to fulfill MTW programmatic reporting requirements and does not replace the MTW PHA's obligation to annually complete its audited financial statements through HUD's Financial Data Schedule (FDS).

SECTION VI: ADMINISTRATIVE

Board Resolution Submittal: There is no predetermined format for submission with the Annual MTW Plan of the required resolution signed by the Board of Commissioners (or other authorized MTW PHA governing body) adopting the Annual MTW Plan and the Annual MTW Plan Certifications of Compliance.

Certifications of Compliance Submittal: The format for submission with the Annual MTW Plan of the required Certifications of Compliance is provided in this Form 50900. The preamble to the Certifications of Compliance directs the MTW PHA to fill in the beginning of the Plan Year for which the certification is being made. This should be provided as the first day of the Plan Year to be covered by the Annual MTW Plan (for example, for a FY2024 Annual MTW Plan for an MTW PHA with a Plan Year of January 1 – December 31, this would be January 1, 2024).

ADDITIONAL ITEMS

Appendix Information Submittal: The MTW PHA may submit additional appendix items as it deems appropriate. Particular MTW PHAs may be required to submit additional appendix items depending on the content of the particular MTW Agreement and Annual MTW Plan (examples include Local Asset Management Plan, RAD Significant Amendment, Hardship Policy, etc.). All appendices should be listed in the table of contents and available for the purposes of the MTW PHA's public process. Beyond inclusion in the MTW PHA's Annual Plan, the Hardship Policy Appendix will not be considered by HUD as part of its approval process.

Submittal of Implementing Documents: As a part of the Annual MTW Plan and/or Annual MTW Report submission, the MTW PHA may not submit to HUD for approval implementing documents (such as Administrative Plans, Admission and Continued Occupancy Policies (ACOPs), etc.) or other materials that are superfluous to the items in this Form 50900. HUD may request that the MTW PHA separate such items from the Annual MTW Plan to be approved and/or Annual MTW Report to be accepted.

<p>A. TABLE OF CONTENTS Include all of the required elements of the Annual MTW Plan (including appendices).</p> <p>B. OVERVIEW OF SHORT-TERM AND LONG-TERM MTW GOALS AND OBJECTIVES Short-term goals and objectives include those that the MTW PHA plans to accomplish during the Plan Year. Long-term goals and objectives include those that the MTW PHA plans to accomplish beyond the current Plan Year. MTW PHAs have the ability to define the level of specificity in the short-term and long-term goals and objectives. If the MTW PHA includes non-MTW components, the MTW PHA should clearly delineate which are MTW and which are non-MTW goals and objectives. MTW PHAs have the flexibility to include references to proposed and ongoing activities in this section if it assists in providing an explanation about short-term and long-term goals and objectives. However, this is not required.</p>	<p>A. TABLE OF CONTENTS Include all the required elements of the Annual MTW Report (including appendices).</p> <p>B. ANNUAL NARRATIVE/SELF-REPORTED DATA (OPTIONAL) The MTW PHA may describe outcomes of MTW activities from the FY by providing a written narrative and/or any self-reported data that would highlight aggregate outcomes impacted by MTW activities. This is not required.</p> <p>D. PARTICIPANT IMPACT STORY (OPTIONAL) The MTW PHA may include one or more stories demonstrating the impact of MTW on program participants. The story could be focused on a participant through the lens of one or more statutory objectives (i.e., cost efficiency, housing choice, self-sufficiency) and/or focused on a specific MTW activity or set of activities. This is not required.</p>

D. INFORMATION ON STATUTORY OBJECTIVES AND REQUIREMENTS

i. 75 percent of Families Assisted Are Very Low Income

HUD will verify compliance with the statutory requirement that at least 75 percent of the households assisted by the MTW PHA are very low income for MTW public housing units and MTW HCVs through HUD systems. The MTW PHA should provide data for the actual families housed upon admission during the PHA's Plan Year reported in the "Local, Non-Traditional: Tenant-Based"; "Local, Non-Traditional: Property-Based"; and "Local, Non-Traditional: Homeownership" categories. Do not include households reported in the "Local, Non-Traditional Services Only" category.

80%-50% Area Median Income	#
49%-30% Area Median Income	#
Below 30% Area Median Income	#
Total Local, Non-Traditional Households Admitted	#

ii. Maintain Comparable Mix

HUD will verify compliance with the statutory requirement that MTW PHAs continue to serve a comparable mix of families by family size by first assessing a baseline mix of family sizes served by the MTW PHA prior to entry into the MTW demonstration (or the closest date with available data) and compare that to the current mix of family sizes served during the Plan Year.

4 Person	#	#	#	#	##%
5 Person	#	#	#	#	##%
6+ Person	#	#	#	#	##%
TOTAL	#	#	#	#	##%

* "Non-MTW Adjustments" are defined as factors that are outside the control of the MTW PHA and/or unrelated to the MTW PHA's local MTW program. An example of an acceptable "Non-MTW Adjustment" would include demographic changes in the community's overall population. If the MTW PHA includes "Non-MTW Adjustments," a thorough justification, including information substantiating the numbers given, should be included below. MTW PHAs must continue to adhere to all fair housing obligations as detailed in the MTW Certifications of Compliance. MTW PHAs must

continue to adhere to all Federal, State, and local fair housing and civil rights obligations including those detailed in the MTW Certifications of Compliance.

Please describe the justification for any “Non-MTW Adjustments” given above:

** The “Baseline Mix Percentage” figures given in the “Mix of Family Sizes Served (in Plan Year)” table should match those in the column of the same name in the “Baseline Mix of Family Sizes Served (upon entry to MTW)” table.

^ The “Total” in the “Number of Households Served in Plan Year” column should match the “Actual Total” box in the “Actual Number of Households Served in the Plan Year” table in Section II.B.i of this Annual MTW Report.

^^ The percentages in this column should be calculated by dividing the number in the prior column for each family size by the “Total” number of households served in the Plan Year. These percentages will reflect adjustment to the mix of families served that are due to the decisions of the MTW PHA. Justification of percentages in the current Plan Year that vary by more than 5% from the Baseline Year must be provided below.

Please describe the justification for any variances of more than 5% between the Plan Year and Baseline Year:

Description

PROPOSED MTW ACTIVITIES: HUD Approval Requested ANNUAL MTW PLAN

All required elements given below must be included in the body of the Annual MTW Plan, grouped by each proposed MTW activity.

A. ACTIVITY DESCRIPTION

- i. Describe the proposed activity.
- ii. Describe how the proposed activity will achieve one or more of the three statutory objectives and the specific impacts on that statutory objective(s).
- iii. Provide the anticipated schedule for implementing the proposed activity.
- iv. Please specify if the MTW PHA plans to apply this proposed activity to any Special Purpose Voucher (SPV) types.¹

B. COST IMPLICATIONS

- i. State whether the proposed activity will result in any cost implications (positive and/or negative) for the MTW PHA.
- ii. If the proposed activity does result in cost implications, provide an estimate of the amount and discuss how the MTW PHA will manage the surplus or deficit anticipated.

C. NEED/JUSTIFICATION FOR MTW FLEXIBILITY

- i. Cite the authorization(s) detailed in Attachment C and/or D of the Standard MTW Agreement (or applicable successor section in future iterations of the MTW Agreement) that gives the MTW PHA flexibility to conduct the proposed activity.
- ii. Explain why the cited authorization(s) is needed to engage in the proposed activity.
Every reasonable effort should be made by the MTW PHA to reference the complete and correct authorization(s) that are applicable to a particular activity when proposing the activity. A failure to cite the correct or entire statute or regulation will require a technical revision to the activity to include the correct authorization(s).

D. RENT REFORM/TERM LIMIT INFORMATION (if applicable)

HUD defines “rent reform” as any change to how rent/tenant share is calculated for a household that would not be allowable absent the MTW activity. Any MTW activity that an MTW PHA enacts that alters the rent calculation (the amount a household contributes towards their housing costs) would be considered a type of rent reform. The following information must be provided for all rent reform activities. In addition, any MTW activity that seeks to adopt a term limit in the public housing program must include information on items (ii)-(iv).

i. IMPACT ANALYSIS

The MTW PHA may provide an impact analysis for each component of the rent reform activity or a comprehensive impact analysis of the rent reform activity. To assess the impacts of the rent reform activity, the following steps are suggested:

- (1) A description of how the proposed MTW activity will impact household rent/tenant share.
- (2) A description of how the MTW PHA will implement and track the rent reform activity and how that process will enable the identification of any unintended consequences/impacts.
- (3) A numerical analysis detailing the intended/possible impacts of the rent reform activity (including changes to the amount of rent/tenant share, rent burden increases/decreases, households affected, etc.)
- (4) A plan for how the MTW PHA will weigh the consequences/benefits of the rent reform activity to determine whether it should be adjusted/terminated/reduced/continued/expanded.

ii. HARDSHIP CASE CRITERIA

The MTW PHA must establish hardship and reasonable accommodation policies that clearly defines the circumstances under which households may be exempted or provided temporary relief from the activity. The MTW PHA must describe how such households could access the hardship policy and the associated process.

A copy of the MTW PHA's hardship policy is required to be included in the Appendix of the Annual MTW Plan for purposes of the MTW PHA's public review and comment period and will not be considered by HUD during the review and approval of the Plan.

¹ SPVs include Emergency Housing Vouchers (EHVs), Family Unification Program (FUP), Foster Youth to Independence (FYI) vouchers, HUD-Veterans Affairs Supportive Housing (HUD-VASH) vouchers, Mainstream vouchers, Non-Elderly Disabled (NED) vouchers, Stability Vouchers (SVs) and any future SPVs as applicable.

iii. DESCRIPTION OF ANNUAL REEVALUATION

The MTW PHA must provide an overview as to how the activity will be reevaluated on an annual basis in the Annual MTW Report, mitigating negative impacts and unintended consequences.

iv. TRANSITION PERIOD

The MTW PHA must develop a plan and timeline for transitioning households into the activity. If a rent reform activity, the MTW PHA should show how the impact analysis informed this transition period.

(III) PROPOSED MTW ACTIVITIES: HUD Approval Requested

ANNUAL MTW REPORT

Section III in the Annual MTW Report will be included and left blank. MTW PHAs should include a placeholder section with the statement that reads: "All proposed MTW activities that were granted approval by HUD are reported in Section IV as 'Approved Activities'."

(IV) APPROVED MTW ACTIVITIES: HUD Approval Previously Granted

All required elements below must be put in the body of the Annual MTW Plan/Report and grouped by each approved MTW activity.

A. IMPLEMENTED ACTIVITIES

The MTW PHA must give the name and unique number of approved MTW activities in the implemented category (see the "Section-by-Section Instructions" for more information on categorizing approved MTW activities) and the following information:

iii. Description of Planned Application of MTW Funding Flexibility

MTW agencies have the flexibility to apply fungibility across three core funding programs' funding streams – public housing Operating Funds, public housing Capital Funds, and HCV assistance (to include both HAP and Administrative Fees) – hereinafter referred to as “MTW Funding.” The MTW PHA shall provide a thorough narrative of planned activities it plans to undertake using its unspent MTW Funding. Where possible, the MTW PHA may provide metrics to track the outcomes of these programs and/or activities. Activities that use other MTW authorizations in Attachment C and/or D of the Standard MTW Agreement (or analogous section in a successor MTW Agreement) do not need to be described here, as they are already found in Section (III) or Section (IV) of the Annual MTW Plan. The MTW PHA shall also provide a thorough description of how it plans to use MTW funding flexibility to direct funding towards specific housing and/or service programs and/or other MTW activity, as included in an approved MTW Plan.

Original Funding Source	Beginning of FY - Unspent Balances	Planned Application of PHA Unspent Funds during FY
HCV HAP*	\$	\$
HCV Admin Fee	\$	\$
PH Operating Subsidy	\$	\$
TOTAL:	\$	\$

Description of Planned Expenditures of Unspent Operating Fund and HCV Funding

The MTW PHA shall provide a description of planned activities and/or use(s) for unexpended Operating Fund and HCV Funding. The original funding source is defined as the legacy MTW PHA's appropriated Section 8 and Section 9 funding source(s) (HCV HAP, HCV Admin Fee, and PH Operating Subsidy). The MTW agency receives this information in their Annual Renewal Allocation, which provides a breakdown of the annual obligations for HCV HAP. For HCV Admin Fee, the biannual cash management reconciliation includes the HCV Admin Fee that has been earned at two points during the year; midyear at June 30th and end-of-year at December 31st. For the public housing operating fund unspent balance, the MTW PHA may derive their unspent funds by subtracting current assets from current liabilities in the most recent FDS submission. Current assets are the sums of FDS lines 111, 114, 115, 120, 131, 135, 142, 144, and 145. Current liabilities are the sums of FDS line 310 and 343. The table below represents the applicable FDS lines with definitions that MTW PHA(s) should utilize to calculate public housing operating fund unspent funds. More information on FDS line items can be found at:

https://www.hud.gov/sites/dfiles/PIH/documents/FDSLLineDefinitionGuide_vJuly2020.pdf.

111	Cash-Unrestricted	This FDS line represents cash and cash equivalents in any form available for use to support any activity of the program or project.
114	Cash-Tenant Security Deposits	This FDS line represents cash in the Security Deposit Fund.
115	Cash-Restricted for Payment of Current Liabilities	This line represents restricted cash and cash equivalents that are only to be expended for specified purposes.
120	Total Receivables	This line represents the total of all receivables less the amounts established as allowances for estimated uncollectible amounts.
131	Investments-Unrestricted	This line represents the fair market value of all investments which can be used to support any activity of a program, project, activity, COCC, or entities.
135	Investments-Restricted for Payment of Current Liability	This line represents the fair market value of all investments designated for specific purposes that will be used to liquidate a current liability in the next fiscal year or offset unearned revenue.
142	Prepaid Expenses and Other Assets	This line represents all prepaid expenses. These are not expected to be converted.
144	Inter-program-Due From	This line represents amounts due from other PHA projects, programs, and activities of a temporary nature.
145	Assets Held for Sale	This line item represents assets that the entity expects to sell to qualified applicants. This line item is typically used as part of the homeownership program.
Current Liabilities		
310	Total Current Liabilities	This FDS line is the sum of lines 311 through 348 and represents the total of all current liabilities.
343	Current Portion of Long-Term Debt (Capital Projects/Bonds)	This line includes the current portion of debts acquired and debts issued for capital purposes of the PHA/entity.

For HCV funding, the biannual cash management reconciliation for HUD-held reserves includes both HCV and SPV reserves. MTW PHA(s)' accounting records should include sufficient detail to report on the amount that are HCV versus SPV reserves. Where possible, please identify the planned use, the estimated amount, to which funding source the planned use(s) is attributable, as well as the projected timeline or timeline update.

Note: the information collected in this section is to fulfill MTW programmatic reporting requirements and does not replace the MTW PHA's obligation to annually complete its audited financial statements through HUD's Financial Data Schedule.

Description

* Unspent HAP funding should not include amounts recognized as Special Purpose Vouchers reserves.

** HUD's approval of the MTW Plan does not extend to a PHA's planned usage of unspent funds amount entered as an agency's operating reserve. Such recording is to ensure agencies are actively monitoring unspent funding levels and usage(s) to ensure successful outcomes as per the short- and long-term goals detailed in the Plan.
