

Regulation S–T (17 CFR 232.405), which specifies how to submit interactive data. The exhibit provisions are in Item 601(b)(101) of Regulation S–K (17 CFR 229.601(b)(101)), Form F–10 under the Securities Act (17 CFR 239.40), and Forms 20–F, 40–F, and 6–K under the Exchange Act (17 CFR 249.220f, 17 CFR 249.240f, and 17 CFR 249.306).

In interactive data format, financial statement information can be downloaded directly into spreadsheets and analyzed in a variety of ways using commercial off-the-shelf software. The specified financial information already is and will continue to be required to be submitted to the Commission in traditional format under existing requirements. The purpose of the interactive data requirement is to make financial information easier for investors to analyze and assist issuers in automating regulatory filings and business information processing. The information required by the Interactive Data collection is mandatory. This information is publicly available on EDGAR. We estimate that 8,218 respondents per year will each submit an average of 4.5 responses per year for an estimated total of 36,981 responses annually. We further estimate an internal burden of 53.11111 hours per response for a total internal burden of 1,964,102 hours (53.11111 hours per response $\times$ 36,981 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235–0404]

Submission for OMB Review; Comment Request; Extension: Form F–80—Canadian Securities

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form F–80 (17 CFR 239.41) is a registration form used by certain large, publicly traded Canadian issuers to register securities to be issued in an exchange offer or in connection with a business combination requiring the vote of shareholders of the participating companies. The information collected is intended to provide U.S. investors in relevant Canadian securities with material information concerning the registered securities and the Canadian foreign private issuer(s) so that investors can make informed voting and investment decisions. The information required by Form F–80 is mandatory, and the information is made publicly available on EDGAR.

We estimate that Form F–80 takes approximately 2 hours per response and is filed by approximately 4 respondents annually. The estimated burden of 2 hours per response is based upon the amount of time necessary to compile the registration statement using the existing Canadian disclosure document(s) plus any additional information required by the Commission. We estimate that 100% of the burden is carried by outside professionals retained by the company to assist in the preparation of the form, and thus that 0% of the burden is carried out internally by the company. We estimate a cost of \$600 per hour for outside professionals used in connection with public company reporting. Based on our estimates, we calculate a total annual reporting burden of zero hours ((2 hours per

response $\times$ 0%) $\times$ 4 responses annually) and a total annual cost burden of \$4,800 (\$600 per hour $\times$ (2 hours per response $\times$ 100%) $\times$ 4 responses annually).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202502-3235-013 or email comment to MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov within 30 days of the day after publication of this notice, by July 25, 2025.
