The National Agricultural Statistics Service (NASS) is asking for your help in completing the 2020 Grape and Almond Acreage Survey, in cooperation with corresponding industries. Growers would normally be contacted in person to update their Acreage data, however NASS understands that personal contacts are not advisable at this time. Instead, we have the following options to update your Acreage safely and efficiently. You can:

- 1) Return your updates in the Business Reply envelope provided.
- 2) FAX to 1-855-270-2722.
- 3) E-mail to nassrfopcr@nass.usda.gov
- 4) Call Kelly Albello at 1-916-738-6606.

If the enclosed parcel records are not a convenient way to update your Acreage, ***we will gladly accept electronic files of planting records in any format.*** You may e-mail files to the above address. Please review the enclosed parcels and make updates as needed. Newly planted, pulled, or abandoned acres should be noted by location on each parcel. Record any new or additional parcels on the **blue** parcel record.

We look forward to your response, and your assistance in capturing a complete picture of Grape and Almond Acreage in California. All responses will be summarized and available online and by mail in April 2021.

Your response is requested by November 16, 2020.
