

United States Department of Agriculture
National Agricultural Statistics Service

XXXX, 2022

Why am I getting this letter?

In **XXXX**, you should have received a *[survey]* from the U.S. Department of Agriculture's National Agricultural Statistics Service (NASS). If you recently completed and returned your questionnaire, thank you. If not, please take a few minutes to respond by following the directions on the right.

By providing your input, you help ensure that *[report]* accurately represent your locality. The survey results will give you a useful tool in negotiating your rental agreements and making other business decisions. Cash rent and lease information is also used in the Conservation Reserve Program as an alternative soil rental rate prior to finalizing new rates each year.

If we do not receive your completed questionnaire, a NASS representative will contact you to arrange a telephone interview.

In accordance with federal law, your responses will be kept confidential, and the survey results will be available in aggregate form only to ensure that no individual producer or operation can be identified. NASS will publish the results this August in our Quick Stats database at quickstats.nass.usda.gov/.

Thank you for your participation and support of agricultural statistics and U.S. agriculture. If you have questions or need assistance, please call 888-424-7828.

Sincerely,

Joseph L. Parsons
Chairperson, Agricultural Statistics Board
U.S. Department of Agriculture
