

On a scale of 1 to 5, with 1 = “Not at all interested” and 5 = “Extremely interested”, please circle the number that corresponds to your answer to the following questions.

Before Wildlife Services provided you with nonlethal predator management assistance, how interested were you in using nonlethal predator management methods on your livestock operation?

Not at all interested before	Slightly interested before	Moderately interested before	Very interested before	Extremely interested before
1	2	3	4	5

After receiving nonlethal predator management assistance from Wildlife Services, how interested were you in continuing to use nonlethal predator management methods on your livestock operation?

Not at all interested after	Slightly interested after	Moderately interested after	Very interested after	Extremely interested after
1	2	3	4	5

Please respond to the questions on the back of this postcard and return it via a mailbox visited by the US Postal Service.

This postcard does not require further postage.

Thank you for helping us with this research study.

Sincerely,

Hailey Ellis

Social Scientist, Human Dimensions Unit, USDA Wildlife Services, National Wildlife Research Center

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-XXXX. The time required to complete this information collection is estimated to average 5 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collected. Send comments regarding this burden statement or any other aspect of this information collection, including suggestions for reducing this burden, to APHIS.PRA@usda.gov.

OMB Approved 0579-XXXX Exp. Date XX/202X
