Comment from McEwen, David (APHIS-2024-0053-0017)

Posted by the Animal and Plant Health Inspection Service on Dec 17, 2024

Please consider these comments as in favor for a survey for the relationship of predation and predators, in respect to the producer. In reference, the survey should be directed to the producer, As the producer is the only recipient of services for action concerning predation.

Thank you for allowing this survey,

Montana
