

Information

Instructions: Use this workbook to calculate the burden of your information collection. There is a tab for each of the four categories of the affected public. Enter your information in the four tabs and the cells in this "Info and Totals" tab will auto-populate with subtotals and totals for all four categories.

Note 1: Enter the Title, OMB Number, and Date Prepared.

Note 2: The columns will calculate automatically. Use only whole numbers.

3/ The total number of open contracts remains relatively stable around 3,000, but the type of contract varies each year. Stewardship agreements and Stewardship service contracts may or may not use all of the forms covered in this information collection but I have increased the number of contracts by 4% in this analysis to account for anticipated yearly increases.
