 executed. Additional timber shall be paid for prior to removal. Additional Timber. Forest Service may add to the contract timber cut to facilitate operations and undesignated trees damaged by Purchaser. Such timber shall be paid for at contract rates, plus deposits. Timber subject to agreement may be added to the contract, subject to agreement on volume. Statutory Compliance. Purchaser agrees to conduct operations under this contract and other related business activities in compliance with Federal, State, and local statutes, standards, orders, permits, or other regulations. Use of Roads by Purchaser. Purchaser is authorized to use existing National Forest roads when such use will not cause damage to the roads or National Forest resources and when hauling can be done safely. Road Maintenance. If Purchaser elects to use different roads than those in Forest Service Road Maintenance Plan, Forest Service shall determine Purchaser's commensurate share of road maintenance and revise road maintenance deposits. Product Identification. West of the 100th meridian, before transport, unless Contracting Officer determines that circumstances warrant a written waiver or adjustment, Purchaser shall hammer brand, with assigned brand, all products that are eight (8) feet or more in length and one-third (1/3) or more sound, on each end that is seven (7) inches or more in diameter. Products that require domestic processing that are eight (8) feet or more in length and one-third (1/3) or more in diameter. All hammer brands and/or highway-yellow paint tal test three (3) square inches in size on each end that is seven (7) inches or or prior to termination date shall revert to Forest Service. Title Passage. All right, title, and interest in and to timber shall vest in Purchaser when it has been decked and paid for. Title to any timber that has not been removed from National Forest term shall be adjusted to include additional calendar days equal to the actual time lost if ha
