

Non-substantive Change Request
OMB Control Number 0920-1406
Traveler-based Genomic Surveillance
Date Submitted: 03/04/2025

Summary of request: CDC/NCEZID/DGMH is requesting to revise questions to align with Executive Order (EO) 14168 *Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government*.

Description of Changes Requested: This request revises a question that references respondent sex, and available response options used in this Traveler-based Genomic Surveillance Questionnaire (OMB Control Number 0920-1406) to align with EO 14168.

- ✓ Revision of an existing question(s)
- Deletion of an existing question(s)

Question 3 in the “Background Information” section previously read:
What sex were you assigned at birth, on your original birth certificate?

- *Male*
- *Female*
- *Prefer not to answer*

It now reads:

Sex:

- *Male*
- *Female*
- *Skip question*

Language referencing sex assigned at birth has been removed for compliance with Executive Order 14168.

Additionally, the “prefer not to answer” button was removed. A “skip question” button was added so the respondent can proceed to the next question on the digital form without answering the question. The “skip to end” navigational button is unchanged.
