The diagram shows the components of the game, organized into two columns. The left column contains: a group of five stylized human figures in blue, green, white, yellow, and black; the text 'Player Markers'; a yellow radiation symbol; and the text 'Status Level Trackers'. The right column contains: a single purple circle; the text 'Funds'; a yellow square tile with a black border and a central figure; the text 'Resource Tile'; and two stylized meeples, one yellow and one green, with the text 'Meeple'.

Public Health (PH)

Public health is the group of services intended to protect, promote, and improve the health of communities, and public health nurses. Others are not perform all actions of a CHC. This PH process is a group of the types of actions public health may have.

Specific Actions

Public health specifications in governing regulation, including registration capacity, reducing some behavior and **Activity**

10 Steps of the PH Process:

- Active Case Tracking from Stigma Area and place of residence**
- Physical and Psychological Assessment**
- Funds and Resources Case Tracking from Stigma Area and residence from spouse or parents**
- Patient Assessment and Care**
- Patient Actions**
