MTM Program Backlog Items 05/28/2024

1. Collect Database Information:

In Plan Enter/Edit page if select "All Part D maintenance drugs", please add an additional selection to collect what database they use (Medi-Span, First Databank, or Other - Fill In).

2. <u>Interventions Screen Text Updates:</u>

On the Interventions screen, apply the following text updates:

Change "Interactive, in-person or synchronous telehealth consultation" to "Interactive, in-person or synchronous telehealth consultation conducted in real-time"

Change "Individualized, written summary of CMR in CMS' standardized format (includes beneficiary cover letter, recommended to-do list, and personal medication list)" to "Individualized, written summary of CMR in CMS' standardized format (includes beneficiary cover letter, recommended to-do list, and medication action plan)"

Add language to [] Alternative language translations. After translations add "(Plan sponsors must provide translated materials when the 5 percent language threshold under 42 CFR § 423.2267(a)(2) has

been reached.)"

3. MTM: Add Save Functionality to Submission Pages:

Provide the ability for plan users to save data on the MTM submission pages. Add a save button to each page of the submissions process. On the last submission page, provide a submit button.

This item is added to the backlog, per Dan Summers request received on 2/13/2024, to be implemented for CY2026 submissions.
