## NONRESPONSE FOLLOW-UP SURVEY

**NOTE TO REVIEWER:** This information is needed to understand the demographics and visit behavior of non-respondents and to help understand potential non-response bias. The potential for non-response bias will be assessed by comparing responses from this follow-up survey with the responses from the primary survey.

**PAPERWORK REDUCTION ACT STATEMENT:** The National Park Service is authorized by the NPS Research Mandate (54 USC 100702) to collect this information. This information will be used by the NPS in future initiatives related to the visitor use and resource management within the site. Response to this request is voluntary. No action may be taken against you for refusing to supply the information requested. The permanent data will be anonymous. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

**BURDEN ESTIMATE:** Public reporting burden for this form is estimated to average 5 minutes per response. Please direct comments regarding the burden estimate or any other aspect of this form to: Tristan Cherry, RSG, Tristan.cherry@rsginc.com (email); or Phadrea Ponds, NPS Information Collection Clearance Officer at phadrea\_ponds@nps.gov (email).
