- Remove “they” from the “he/she/they” phrase in Part 2: Job Corps Health Services and Authorization to Administer Healthcare under section Authorization to Receive Records and Administer Healthcare.

### **Purpose of Collection**

WIOA authorizes the collection of information from Job Corps applicants to determine eligibility for the Job Corps program, 29 U.S.C. §§ 3194-3195.

Applicant and student data is maintained in accordance with the Department of Labor’s (Department) Privacy Act System of Records Notice (SORN) DOL/GOVT-2 Job Corps Student Records, 81 FR 25765.

The information on the Form ETA-653 is collected by the admissions services to enable the centers to determine the health needs of the applicant and whether the applicant may need to be evaluated further as a possible direct threat to others.
