## Screening Survey for Participants in the Focus Group on the Experience of Special Government Employees (SGEs) in the Voluntary Protection Programs

The following questions will be uploaded onto DOL's Survey Monkey account. There are currently 1,084 SGEs across the country. We will be sending out a screener survey to identify individuals who are attending the VPPPA Safety+ Conference. From the list of respondents, OSHA will identify a representative group of SGEs for the focus group sessions.
