TITLE OF INFORMATION COLLECTION: Post-Transaction VPP Reapproval Survey

PURPOSE OF COLLECTION:

What are you hoping to learn / improve? How do you plan to use what you learn? Are there artifacts (user personas, journey maps, digital roadmaps, summary of customer insights to inform service improvements, performance dashboards) the data from this collection will feed?

OSHA is deploying a post-transaction survey to collect feedback from current Voluntary Protection Programs participants on the Reapproval Process in the VPP. The survey will ensure that OSHA hears feedback from VPP participants on their experience in the program. This survey will allow OSHA to identify friction points in the program, as well as areas of excellence. This survey will help us create action items to better meet the needs of the participants.

TYPE OF ACTIVITY: (Check one)

- ☐ Customer Research (Interview, Focus Groups)
- ☒ Customer Feedback Survey
- ☐ User Testing

ACTIVITY DETAILS

1. If this is a survey, will the results of this survey be reported to Touchpoints as part of quarterly reporting obligations specified in OMB Circular A-11 Section 280?
 - ☒ Yes
 - ☐ No
 - ☐ Not a survey
2. How will you collect the information? (Check all that apply)
 - ☒ Web-based or other forms of Social Media (TouchPoints)
 - ☐ Telephone
 - ☐ In-person
 - ☐ Mail
 - ☐ Other, Explain
3. Who will you collect the information from?

Explain who will be interviewed and why the group is appropriate for the Federal program / service to connect with. Please provide a description of how you plan to identify your potential group of respondents and if only a sample will be solicited for feedback, how you will select them (e.g., anyone who provided an email address to a call center rep, a representative sample of Veterans who received outpatient services in May 2019, do you have a list of customers to reach out to (e.g., a CRM database that has the contact information, intercept interviews at a particular field office?)

There are currently 1,169 active VPP sites across the country. Every year, roughly 300 of these sites go through a reapproval process. This includes an on-site evaluation and report. We will send these post-transactional surveys to these sites after they complete the reapproval process and have been officially reapproved to the program.

4. How will you ask a respondent to provide this information? *(e.g., after an application is submitted online, the final screen will present the opportunity to provide feedback by presenting a link to a feedback form / an actual feedback form)*

We will send the survey through email, linking to the TouchPoints survey:
(<https://touchpoints.app.cloud.gov/touchpoints/8aee3106/submit>). OSHA has contact information for the site manager of the VPP site that has just completed the reapproval process. They will be sent an email from an OSHA employee, explaining the purpose of the survey and include the TouchPoint link.

5. What will the activity look like? *Describe the information collection activity – e.g. what happens when a person agrees to participate? Will facilitators or interviewers be used? What's the format of the interview/focus group? If a survey, describe the overall survey layout/length/other details? If User Testing, what actions will you observe / how will you have respondents interact with a product you need feedback on?*

VPP Participants will be contacted through email. They'll be able to click on a survey link that is embedded in the email. Respondents will then be directed to the reapproval TouchPoint survey.

6. Please provide your question list.

Paste here the questions or prompts presented to participants in your activity. If you have an interview / facilitator guide, that can be attached to the submission and referenced here.

Please make sure that all instruments, instructions, and scripts are submitted with the request.

Please see attached.

7. When will the activity happen?

Describe the time frame or number of events that will occur (e.g., We will conduct focus groups on May 13,14,15, We plan to conduct customer intercept interviews over the course of the Summer at the field offices identified in response to #2 based on scheduling logistics concluding by Sept. 10th, or "This survey will remain on our website in alignment with the timing of the overall clearance.")

The survey will be targeted for release once we have PRA approval and will be sent out to reapproved participants throughout the year as they complete the reapproval process. Each VPP reapproval participant will receive one email with the survey link, and one follow-up email with the survey link.

8. Is an incentive (e.g., money or reimbursement of expenses, token of appreciation) provided to participants?

☐ Yes ☒ No

If Yes, describe:
