TITLE OF INFORMATION COLLECTION: Web Survey for Soliciting Feedback for Division of Energy Employees Occupational Illness Compensation (DEEOIC) Energy Document Portal

PURPOSE OF COLLECTION:

This is a revision to an existing electronic survey designed to gather feedback from claimants under the Energy Employees Occupational Illness Compensation Program Act utilizing the Energy Document Portal (EDP) website. This update will include customers using additional functionality within EDP, soliciting feedback on how well the tool works, what type of information they use it to submit, if there are any areas for improvement, and an overall idea of how usable the tool is for our stakeholders.
