

Aviation Regulations. The purpose of this notice is to improve the public's awareness of, and participation in, the FAA's exemption process. Neither publication of this notice nor the inclusion nor omission of information in the summary is intended to affect the legal status of the petition or its final disposition.

**DATES:** Comments on this petition must identify the petition docket number and must be received on or before June 12, 2025.

**ADDRESSES:** Send comments identified by docket number FAA–2025–0631 using any of the following methods:

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov> and follow the online instructions for sending your comments electronically.

- *Mail:* Send comments to Docket Operations, M–30; U.S. Department of Transportation, 1200 New Jersey Avenue SE, Room W12–140, West Building Ground Floor, Washington, DC 20590–0001.

- *Hand Delivery or Courier:* Take comments to Docket Operations in Room W12–140 of the West Building Ground Floor at 1200 New Jersey Avenue SE, Washington, DC 20590–0001, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

- *Fax:* Fax comments to Docket Operations at (202) 493–2251.

*Privacy:* In accordance with 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its rulemaking process. DOT posts these comments, without edit, including any personal information the commenter provides, to <http://www.regulations.gov>, as described in the system of records notice (DOT/ALL–14 FDMS), which can be reviewed at <http://www.dot.gov/privacy>.

*Docket:* Background documents or comments received may be read at <http://www.regulations.gov> at any time. Follow the online instructions for accessing the docket or go to the Docket Operations in Room W12–140 of the West Building Ground Floor at 1200 New Jersey Avenue SE, Washington, DC 20590–0001, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** Kara White, 202–267–3793, Office of Rulemaking, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591.

This notice is published pursuant to 14 CFR 11.85.

Issued in Washington, DC.

**Dan A. Ngo,**

*Manager, Part 11 Petitions Branch, Office of Rulemaking.*

### Petition for Exemption

*Docket No.:* FAA–2025–0631.

*Petitioner:* Brunner Aerospace.

*Section(s) of 14 CFR Affected:* § 141.27(b)(3).

*Description of Relief Sought:* Brunner Aerospace LLC, is seeking relief from 141.27(b)(3) to reapply for the provisional pilot school certificate less than 180 days after the February 28, 2025, expiration date of their last provisional pilot school certificate.

### Federal Aviation Administration

[Docket No. FAA–2025–0653]

#### Agency Information Collection Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: Infrastructure Investment and Jobs Act (IIJA) Competitive Grant Project Information

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves soliciting project information for the Infrastructure Investment and Jobs Act (IIJA) Airport Terminal, Tower and Airport Infrastructure Grant Funding Reallocation Programs. The information to be collected will be used to determine projects to be awarded IIJA competitive grants.

**DATES:** Written comments should be submitted by July 22, 2025.

**ADDRESSES:** Please send written comments:

*By Electronic Docket:* [www.regulations.gov](http://www.regulations.gov) (Enter docket number into search field).

*By mail:* Jesse Carriger, Federal Aviation Administration, ATTN: Airports Infrastructure Branch (APP–540), 800 Independence Avenue SW, Suite 619, Washington, DC 20591.

*By email:* [ijaaairports@faa.gov](mailto:ijaaairports@faa.gov).

**FOR FURTHER INFORMATION CONTACT:** Jesse Carriger, Airports Infrastructure

Branch, by email at: [ijaaairports@faa.gov](mailto:ijaaairports@faa.gov); phone: (202) 674–2806.

### SUPPLEMENTARY INFORMATION:

*Public Comments Invited:* You are asked to comment on any aspect of this information collection, including (a) whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

*OMB Control Number:* 2120–0806.

*Title:* Infrastructure Investment and Jobs Act (IIJA) Competitive Grant Project Information.

*Form Numbers:* 5100–144.

*Type of Review:* Renewal of an information collection.

*Background:* The FAA uses this collection to solicit the information necessary to evaluate and select airport projects for funding under the Infrastructure Investment and Jobs Act (IIJA), signed on November 15, 2021. The IIJA provides about \$1,020,000,000 annually, for five years, to award competitive grants for airport terminal and tower development. Of this amount, about \$1,000,000,000 annually, for five years, is for the Airport Terminal Program; \$20,000,000 annually, for five years, is for an Airport-owned Contract Tower Program. Additionally, the IIJA directs funds that are unobligated at the end of the fourth fiscal year after first made available under the Airport Infrastructure Grant (AIG) program to be converted to a new competitive funding program for the fifth and final fiscal year of availability. Of the amounts converted, the first \$100,000,000 is set aside to augment the IIJA's Airport-owned Contract Tower Program grant program. Funds exceeding \$100,000,000 are then awarded through the new competitive grant program, called the Airport Infrastructure Grant Funding Reallocation Program (AFR). The information collected is based on grant considerations and priorities outlined in the IIJA. Project consideration areas include increasing terminal capacity and passenger access; replacing aging infrastructure; achieving compliance with the Americans with Disabilities Act (42 U.S.C. 12101, *et seq.*); improving airport access for historically disadvantaged populations; improving energy efficiency; improving airfield safety through terminal relocation; encouraging actual and potential

competition; impact on the National Airspace System; reducing emissions; reducing noise impact to the surrounding community; reducing dependence on the electrical grid; and providing general benefits to the surrounding community. The information FAA is collecting will include general airport information, a project overview, and narratives on project consideration areas as outlined in the IIJA. Airport owners and managers who want to pursue funding and obtain benefits from the IIJA Programs will submit information via FAA Form 5100–144 to compete for grants. Approximately 3,075 airports are eligible to compete for this funding, but, based on previous-year submissions, the FAA expects only a small subset of eligible airports to submit project information through this competitive grant process.

**Respondents:** Approximately 655 airports.

**Frequency:** Annually.

**Estimated Average Burden per Response:** 6 hours.

**Estimated Total Annual Burden:** 3,930 hours for all respondents.

Issued in Washington, DC, on May 19, 2025.

**Jesse Carriger,**

*Manager, Infrastructure Branch Office of Airports.*

## DEPARTMENT OF TRANSPORTATION

### Federal Highway Administration

[Docket No. FHWA–2025–0008]

### Notice of Intent To Prepare an Environmental Impact Statement in Virginia

**AGENCY:** Federal Highway Administration (FHWA), DOT.

**ACTION:** Notice.

**SUMMARY:** The FHWA, on behalf of the State Department of Transportation (Virginia DOT, or VDOT), is issuing this Notice of Intent (NOI) to solicit comment and advise the public, agencies, and stakeholders that an Environmental Impact Statement (EIS) will be prepared to evaluate potential transportation improvements for the Nimmo Parkway Phase VII–B Project (the Project; EISX—XVA–1727438866) in the Sandbridge community and surrounding areas within the City of Virginia Beach. Transportation improvements are being considered to extend Nimmo Parkway or improve existing Sandbridge Road to provide

reliable access and connectivity to the Sandbridge community.

**DATES:** Comments on this NOI and the Additional Project Information Document are to be received by the FHWA at the address below by June 23, 2025.

**ADDRESSES:** This NOI and the Additional Project Information Document are available in the docket referenced above at <http://www.regulations.gov> and on the project website located at <https://pw.virginiabeach.gov/roads/transportation-projects/nimmo-pkwy>. The Additional Project Information Document also will be mailed upon request. Interested parties are invited to submit comments by any of the following methods:

**Website:** For access to the documents, go to the Federal eRulemaking Portal located at <http://www.regulations.gov> or the Project website located at <https://pw.virginiabeach.gov/roads/transportation-projects/nimmo-pkwy>. Follow the online instructions for submitting comments.

**Mailing address of hand delivery or courier:** Federal Highway Administration, 400 North 8th Street, Suite 750, Richmond, Virginia, 23219.

**Email address:** [Amanda.Heath@dot.gov](mailto:Amanda.Heath@dot.gov).

All submissions should include the agency name and the docket number that appears in the heading of this Notice. All comments received will be posted without change to <http://www.regulations.gov> or the Project website, <https://pw.virginiabeach.gov/roads/transportation-projects/nimmo-pkwy>, including any personal information provided. A summary of the comments received will be included in the Draft EIS, and all comments received will be included in an appendix to the Draft EIS.

**FOR FURTHER INFORMATION CONTACT:**

FHWA: Amanda Heath, Environmental Protection Specialist, Federal Highway Administration—Virginia Division, 400 North 8th Street, Suite 650, Richmond, VA 23219–4825; email:

[Amanda.Heath@dot.gov](mailto:Amanda.Heath@dot.gov); 804–775–3342.

VDOT: Andrew Pike, NEPA Project Manager/Environmental Division, Virginia Department of Transportation, 1401 East Broad Street, Richmond, VA, 23219; email: [andrew.pike@vdot.virginia.gov](mailto:andrew.pike@vdot.virginia.gov); 804–786–2360.

Persons interested in receiving Project information can contact [NimmoParkwayEIS@vdot.virginia.gov](mailto:NimmoParkwayEIS@vdot.virginia.gov) to be added to the Project mailing list.

**SUPPLEMENTARY INFORMATION:** The environmental review of transportation improvement alternatives for the

Nimmo Parkway Phase VII–B Project area, the Sandbridge community, and surrounding areas within the City of Virginia Beach will be conducted in accordance with the requirements of the National Environmental Policy Act (NEPA) of 1969, as amended (42 U.S.C. 4321, *et seq.*), 23 U.S.C. 139, FHWA regulations implementing NEPA (23 CFR part 771) and all other applicable Federal, State, and local laws and regulations. The NEPA process is anticipated to be completed by a combined Final EIS and Record of Decision within two years of issuance of this NOI.

The project subject to this notice is:

**Project Location:** The project limits include the existing east-west Nimmo Parkway/Nimmo Trail right-of-way, which extends approximately 1.9 miles between Albuquerque Drive and Sandbridge Road east of McClannan's Curve, and approximately 3.4 miles of Sandbridge Road between Entrada Drive to just east of McClannan's Curve.

### Proposed Project Action

**Background.** The City of Virginia Beach has studied a direct connection to the Sandbridge community since 1968. An east-west corridor to the community was included in the City's Master Transportation Plan in 1971, the 1979 and 1985 Comprehensive Plans. In 1999, a corridor study completed by the City of Virginia Beach recommended the Nimmo Parkway Corridor, with a bridge over Ashville Bridge Creek, as the preferred alternative in linking General Booth Boulevard/Princess Anne Road with the Sandbridge community. In 2003, planning studies were conducted on the Nimmo Parkway Corridor which determined that, when compared to other corridor improvement projects for the area, the Nimmo Parkway Corridor alternative was preferred. In subsequent years, additional improvements have been made along Nimmo Parkway and Sandbridge Road, with the construction of existing Nimmo Parkway occurring in four phases over a 30-year period.

In May 2022, FHWA approved an Environmental Assessment (EA) for public availability for the EA for this proposed Project included a study area limited to an east-west corridor of approximately 1.85 miles between the end of existing Nimmo Parkway to the west at Albuquerque Drive and Sandbridge Road approximately 0.2 miles past McClannan's Curve, as well as the Sandbridge Road corridor, approximately 3.4 miles, from Entrada Drive to approximately 0.2 miles past McClannan's Curve in the City of Virginia Beach, Virginia.
