Post-Study ADAS/ADS Questions

1. What are two things you **liked** about the system, and why?

I. _____

II. _____

2. What are two things you **disliked** about the system, and why?

I. _____

II. _____

ADS/ADAS Opinions

Please select how much you agree or disagree with each of the following statements.

1. I am interested in using ADS in my commercial vehicle.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

2. I think ADS helps people drive more safely.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

3. I am comfortable with the idea of my vehicle driving without me controlling steering or braking.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

4. I would recommend ADS/ADAS technologies to drivers at other companies.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

5. I think auditory warnings in vehicles distract and annoy drivers.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

6. I feel ADS/ADAS causes drivers to pay less attention to the road.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

7. I think ADS/ADAS technologies work well in all driving conditions.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

8. I think ADS/ADAS helps drivers avoid a crash.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

9. I think ADS/ADAS threatens the jobs of professional drivers.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

10. I rely on ADS/ADAS technology to alert me to potential accidents.

Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
-------------------	-------	---------	----------	----------------------

CMV Technology Preferences

11. Indicate which of the following ADAS technologies you **would use** in your commercial vehicle

- ☐ Automated parking
- ☐ Remote-control drive or remote-control parking
- ☐ Traffic jam assist
- ☐ Adaptive cruise control
- ☐ Forward collision warning system
- ☐ Automatic emergency braking
- ☐ Blind spot warning
- ☐ Camera-mirror system
- ☐ Lane-keep assist
- ☐ Lane centering assist
- ☐ Lane departure warning
- ☐ Traffic sign recognition system
- ☐ Pedestrian detection
- ☐ Rear backing camera

12. For each of the technologies you indicated you **would** use above, briefly state why you think this technology would be beneficial to you.

System of Interest	Why would you use this technology?
Automated parking	
Remote-control drive or remote-control parking	
Traffic jam assist	
Adaptive cruise control	
Forward collision warning system	
Automatic emergency braking	
Blind spot warning	
Camera-mirror system	
Lane-keep assist	
Lane centering assist	
Lane departure warning	
Traffic sign recognition system	
Pedestrian detection	
Rear backing camera
