Full disclaimer text: This collection of information is voluntary and will be used for informative purposes only. The collection of information will allow NHTSA to develop and evaluate programs designed to reduce the number of motor vehicle-related injuries and deaths. NHTSA will not collect any personal information that would allow anyone to identify persons involved in the motor vehicle traffic crash. A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2127-0714. Public reporting for this collection of information is estimated to be approximately 30 minutes per response, including the time for reviewing instructions, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, National Highway Traffic Safety Administration, W51-316, 1200 New Jersey Ave, S.E., Washington, DC, 20590
