

SECURITIES AND EXCHANGE COMMISSION**[OMB Control No. 3235–0555]****Submission for OMB Review;
Comment Request; Extension: Rule 6h–1***Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 6h–1 (17 CFR 240.6h–1) under the Securities Exchange Act of 1934 (“Act”) (15 U.S.C. 78a *et seq.*).

Section 6(h) of the Act (15 U.S.C. 78f(h)) requires national securities exchanges and national securities associations that trade security futures products to establish listing standards that, among other things, require that: (i) trading in such products not be readily susceptible to price manipulation; and (ii) the market on which the security futures product trades has in place procedures to coordinate trading halts with the listing market for the security or securities underlying the security futures product. Rule 6h–1 implements these statutory requirements and requires that (1) the final settlement price for each cash-settled security futures product fairly reflects the opening price of the underlying security or securities, and (2) the exchanges and associations trading security futures products halt trading in any security futures product for as long as trading in the underlying security for trading of a security futures product based on a single security, or trading in 50% or more of the underlying securities for trading of a security futures product based on a narrow-based security index, is halted on the listing market.

It is estimated that 1 respondent will incur an average burden of 10 hours per year to comply with this rule, for a total burden of 10 hours per year. At an average internal cost per hour of approximately \$451, the resultant total internal cost of compliance for the respondents is \$4,510 per year (1 respondent × 10 hours/respondent × \$451/hour).

Compliance with Rule 6h–1 is mandatory. Any listing standards established pursuant to Rule 6h–1

would be filed with the Commission as proposed rule changes pursuant to Section 19(b) of the Act and would be published in the **Federal Register**.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.
