Date Submitted: February 27, 2025

Summary of Request: SBA is revising questions and instructions in Form 1919, *SBA 7a Borrower Information Form*, to align with E.O. 14168 *Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government*.

Description of Changes Requested: This request updates instructions and (optional) demographic information collection regarding the sex of the owners of the Applicant small business in Form 1919 to comply with EO 14168.

Please check the boxes below if your request includes:

- Revision of an existing question(s)
- Deletion of an existing question(s)

Description of Changes to Burden (if applicable): In compliance with the E.O. SBA is changing three instances of the word “gender” to “sex” and removing “Not Disclosed” as an available response to the question on sex. SBA believes there will not be any change to the burden estimate because of these revisions. The total time burden estimate remains unchanged at 32 minutes per response.

Form 1919	Total Time: 29,820 hours 32 minutes per response 55,913 respondents	Total Time: 29,820 hours 32 minutes 55,913 respondents
