Better Decisions

Thank you for participating in the
Conservation Effects Assessment
Project Survey!

We know this was not an easy task,
so we want to thank you for your hard
work in filling out the survey. Through
your efforts, the National Agricultural
Statistics Service (NASS) and the
Natural Resources Conservation
Service (NRCS) will continue to
provide up-to-date, accurate
agricultural statistics reflecting
farmers' experiences.

The data from this survey will be
published in the Conservation Effects
Assessment Project report on the
CEAP Cropland Assessments webpage
at nrcs.usda.gov/ceap/croplands. If
you have questions about the survey,
please contact us at 888-424-7828.

Thank you for your support of our
programs and U.S. agriculture!
