According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0496. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden statement or any other aspect of this information collection, including suggestions for reducing this burden, to APHIS.PRA@usda.gov.

11. ADDITIONAL DATA (Remarks, special instructions. Use additional sheets, if necessary).					LABORATORY USE ONLY		

#### **VS FORM 12-2 INSTRUCTIONS**

ALL information must be printed legibly or typed. Use a separate form for each owner. At the minimum, complete all fields designated in these instructions as required. Contact the Receiving Department of the laboratory to which you are sending specimens with specific documentation or shipping questions.

If including more than one page, include the page number of total pages submitted (e.g., 1 of 3).

#### 1. SUBMITTER CONTACT INFORMATION "REQUIRED"

Enter the submitter's business name/affiliation; the name of the individual submitter is optional if test results are returned to a general business email. Enter an email address to which APHIS can return test results. Multiple email addresses are permissible. Provide a complete mailing address. If email is not available, test reports may be mailed, but this will delay delivery of results and may incur a fee. Repeat submitters are encouraged to be consistent with the submitter contact information that is provided, as the NVSL keeps a master record

#### 4. COLLECTED BY

Enter the complete name of the person collecting the specimen(s).

#### 5. DATE COLLECTED

Enter the date on which specimens were collected. Use the format DD/MM/YYYY. If samples were collected on different days, write the sample collection date in the comments section for each sample.

# 8. TOTAL NUMBER OF SAMPLES SUBMITTED "REQUIRED"

Enter the total number of samples submitted from this farm.

#### 9. SAMPLE INFORMATION

Collect samples in vials provided by the National Veterinary Services Laboratories. Use provided bar codes and place one barcode on the tube of milk and one on the VS-XX form under Sample No.

Enter the BTU numbers associated with the sample. Ensure the complete BTU number, including the state code is used.

### 10. SIGNATURE OF COLLECTOR AND DATE

Ensure the sample collector signs the form verifying the samples were collected according to the USDA National Silo Monitoring plan.

## 11. ADDITIONAL DATA

Enter pertinent information that can assist the lab.

- Provide detail on collections as needed
- Include any information that did not fit into its designated space elsewhere on the form.
- Include any special (non-standard) instructions for test report delivery
