THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to allow care provider facilities to document the outcome of calls made to unaccompanied alien children and their sponsors after release to ensure the child is safe and refer the sponsor to additional resources as needed. Public reporting burden for this collection of information is estimated to average 0.25 hours per sponsor and child response, and 0.58 hours per response for care providers, including the time for reviewing instructions, gathering, and maintaining the data needed, and reviewing the collection of information. This is a mandatory collection of information (Homeland Security Act, 6 U.S.C. 279, and Trafficking Victims Protection Reauthorization Act, 8 U.S.C. 1232). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. If you have any comments on this collection of information, please contact <u>UACPolicy@acf.hhs.gov.</u>
