TITLE OF INFORMATION COLLECTION: Discussion Questions for Presentation: Building on the Strengths of non-English Speakers to Deliver Inclusive Programming

PURPOSE AND USE: The purpose of this collection of information is to guide the Hispanic Equity Research for Opportunities to Empower and Succeed in Healthy Marriage and Responsible Fatherhood Programs (HEROES) project in the conceptualization of equitable services for Hispanic families. The information will be gathered through feedback questions (see Attachment 1) asked during a presentation at the Healthy Marriage and Responsible Fatherhood (HMRF) Biennial Conference. From the feedback provided, the project will gain insights from practitioners on how equitable services are defined and implemented with a diverse group of Hispanic families, specifically with a population that speaks indigenous languages from Latin America. The feedback will guide the project team’s literature review search terms and in the development of a focus group and interview guide.

DESCRIPTION OF RESPONDENTS: Individuals voluntarily choosing to attend the session, *Building on the Strengths of non-English Speakers to Deliver Inclusive Programming*, at the 2024 HMRF Biennial Conference.
