## ELECTRONIC PAYMENTS

### Four easy steps to get your electronic payment!

- 1 Sign up for PayPal or online/mobile banking by visiting paypal.com, your bank's website, or talking with a bank representative.
- 2 Keep a record of the email address associated with your PayPal account or the email address associated with your online/mobile banking account.
- 3 During your interview, let the interviewer know you would like an electronic payment.
- 4 Provide the interviewer with the email address associated with your PayPal account or the email address associated with your online/mobile banking account.

Once the payment has been processed, you will be notified by email that it has been processed.

If you select online/mobile banking, you will receive an email from JP Morgan/National Opinion Research Center to "claim" your payment. Simply open the email and follow the instructions to accept the payment.

We offer electronic payment options through online or mobile banking as well as PayPal.
