corporation whose charter or bylaws restrict the				(-,

ownership of stock, can a Participant who is entitled to	
a distribution either receive the distribution in cash or	
in Employer Stock subject to a Mandatory Put?	
(4) If there is a Mandatory Put and Employer Stock is (8)	
distributed as a total distribution, does payment by the	
employer or the Mandatory Put occur over a period of	
no greater than five (5) years in at least substantially	
equal annual payments?	
i. If the Employer is not described under question h(3), (9)	
does the Employer purchase Employer Stock that has	
been distributed to a Participant or beneficiary if the	
Participant or beneficiary offers the Employer Stock for	
sale to the Employer or the Plan (put option) during	
one of the two put option periods and provide	
payment to the participant within the permissible	
timeframe?	
j. (1) Will distribution begin no later than one year (10))
after the close of the plan year in which the Participant	-
separates from service by reason of normal retirement	
age, disability or death?	
(2) If separation other than normal retirement age, (10))
disability or death, will distribution begin during the	,
year after the close of the plan year in which the	
participant separates from service?
