

Affected Public: Visitors to TSA facilities in the NCR.

Abstract: The Secretary of the Department of Homeland Security (DHS) is authorized to protect property owned, occupied, or secured by the Federal Government. *See* 40 U.S.C. 1315. *See also* 41 CFR 102–81.15 (requires Executive agencies to be responsible for maintaining security at their own or leased facilities). To implement this requirement, DHS policy requires all visitors to DHS facilities in the NCR¹ to have a criminal history records check through the National Crime Information Center system before accessing the facility. In reviewing the National Crime Information Center results, TSA will consider whether an individual could potentially pose a threat to the safety of TSA employees, contractors, visitors, or the facility. TSA is revising the collection to remove TSA Form 2816A and transition TSA Form 2816B to a web form using SharePoint.

TSA is submitting TSA Forms 2802 and 2816B as Common Forms to permit Federal agency users beyond the agency that created the form (e.g., DHS or U.S. Office of Personnel Management) to streamline the information collection process in coordination with OMB.
