

have no other special eligibility, are eligible to receive VA health care at no cost. Title 26 U.S.C. 6103 (l)(7) of the Internal Revenue Code and 38 U.S.C. 5317 establish authority for VA to verify Veterans' gross household income information against records maintained by the Internal Revenue Service (IRS) and Social Security Administration (SSA) when that information indicates the Veteran is eligible for cost-free VA health care.

This information collection is necessary for HEC's Income Verification Division (IVD) to verify the income of Veterans and spouses. It consists of VA Forms 10-301, 10-302, 10-303 and 10-304. HEC IVD sends Veterans, and their spouses, individual letters and forms to confirm income information reported by IRS and SSA. HEC does not change the Veteran's copay status until information supplied by IRS and SSA has been independently verified, either by the Veteran or through appropriate due process procedures. This collection has been revised by removing VA Form 10-302A because all relevant information can be reported on VA Form 10-302. There is a reduction in the burden hours due to the removal of VA Form 10-302A from the collection.
