Agency Information Collection Activity:

PCAFC Decision Appeal Form (10-306) OMB control number **2900-0894**

PCAFC Decision Appeal Form (10-306) received one comment in response to the 60-Day Federal Register Notice (VA-2025-VACO-0001-18, FR Doc No: 2025-09328) on May 23, 2025.

VA-2025-VACO-0001-20– We appreciate the commentor's concerns-suggestions, and CSP responds as follows:

- **Request:** I strongly urge VHA to ensure that the proposed collection is both necessary and appropriately tailored.

Response: VA Form 10-306 is both necessary and appropriately tailored to its purpose as a tool for claimants to request information related to their Program of Comprehensive Assistance for Family Caregivers (PCAFC) decisions.
- **Request:** In conclusion, the proposed collection should be adopted only if it is clearly shown to enhance the efficiency, equity and effectiveness of VHA programs, particularly the PCAFC, and only if alternative sources of data are not available.

Response: Rather than a collection of information, VA Form 10-306 is a request for information, and it is a necessary and effective tool in allowing an individual to access their information.

CSP appreciates the opportunity to review and respond to the comment. As noted above, we make no changes to this form at this time.
