SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0204]

Proposed Collection; Comment Request; Extension: Rule 19d-3

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (SEC or "Commission") is soliciting comments on the proposed collection of information in Rule 19d-3.

Rule 19d-3 prescribes the form and content of applications to the Commission by persons seeking Commission review of final disciplinary actions against them taken by self-

regulatory organizations ("SROs") for which the Commission is the appropriate regulatory agency. The Commission uses the information provided in the application filed pursuant to Rule 19d-3 to review final actions taken by SROs including: (1) final disciplinary sanctions; (2) denial or conditioning of membership, participation or association; and (3) prohibitions or limitations of access to services offered by a SRO or member thereof.

The staff estimates that 25 respondents will file one application pursuant to Rule 19b-3 each year. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 19d-3 is approximately eighteen hours. We estimate that approximately 10 firms or natural persons would draft the applications themselves, and therefore incur an hour burden of 18 hours each (a total hour burden of 180 hours), and that 15 would hire outside counsel, and therefore incur a cost burden of \$8,496 each (a total cost burden of \$127,440).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

Please direct your written comment to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg, 100 F Street NE, Washington, DC 20549 and send it by email to PaperworkReductionAct@sec.gov by July 28, 2025.

Dated: May 21, 2025.
