SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0206]

Proposed Collection; Comment Request; Extension: Rule 19d-1

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (SEC or "Commission") is soliciting comments on the proposed collection of information in Rule 19d-1.

Rule 19d-1 prescribes the form and content of notices to be filed with the Commission by self-regulatory organizations ("SROs") for which the Commission is the appropriate regulatory agency concerning the following final SRO actions: (1) disciplinary actions with respect to any person; (2) denial, bar, prohibition, or limitation of membership, participation or association with a member or of access to services offered by an SRO or member thereof; (3) summarily suspending a member, participant, or person associated with a member, or summarily limiting or prohibiting any persons with respect to access to or services offered by the SRO or a member thereof; and (4) delisting a security.

The Rule enables the Commission to obtain reports from the SROs containing information regarding SRO determinations to delist a security, discipline members or associated persons of members, deny membership or participation or association with a member, and similar adjudicated findings. The Rule requires that such actions be promptly reported to the Commission. The Rule also requires that the reports and notices supply sufficient information regarding the background, factual basis and issues involved in the proceeding to enable the Commission: (1) to determine whether the matter should be called up for review on the

Commission's own motion; and (2) to ascertain generally whether the SRO has adequately carried out its responsibilities under the Exchange Act.

It is estimated that approximately seventeen respondents will utilize this application procedure annually, and will file approximately 850 submissions, based upon recent data. The Commission estimates that the average number of hours necessary to comply with the requirements of Rule 19d-1 for each submission is 1 hour. The total annual burden for all respondents is thus 850 hours. The Commission estimates that the internal compliance cost per respondent is approximately \$344 per response. The annual internal cost of compliance for all respondents is thus approximately \$292,400 (17 respondents × 50 responses × \$344 per response).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

Please direct your written comment to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg, 100 F Street NE, Washington, DC 20549 and send it by email to PaperworkReductionAct@sec.gov by July 28, 2025.

Dated: May 21, 2025.

Assistant Secretary.
