SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0219]

Agency Information Collection Activities; Proposed Collection; Comment Request; Reinstatement With Change: Rule 30a-1

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission" or "SEC") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for reinstatement.

The title for the collection of information is "Rule 30a-1 (17 CFR 270.30a-1) under the Investment Company Act of 1940."

The Commission is seeking to reinstate the Paperwork Reduction Act ("PRA") information collection request for rule 30a-1 (17 CFR 270.30a-1) under the Investment Company Act of 1940 under OMB control number 3235-0219 for the purpose of discontinuing this information collection. The last Commission request for OMB approval under this control number was submitted in May of 2000. Rule 30a-1 is an active rule, but it has been amended since the last PRA submission in 2000. The current rule requires investment companies and unit

investment trusts to file an annual report on Form N-CEN at least every twelve months. The burden associated with the information request outlined within rule 30a-1 is contained within the information collection request for Form N-CEN under OMB control number 3235-0729. Thus, there has been no lapse in reporting the burden associated with rule 30a-1. Since the burden is being reported under an alternative ICR, the Commission is seeking to reinstate the rule 30a-1 ICR under control number 3235-0729 in order to have it properly discontinued. Moving forward, the Commission will reference rule 30a-1 within the ICR for Form N-CEN.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by October 6, 2025. There will be a second opportunity to comment on this SEC request following the **Federal Register** publishing a 30-Day Submission Notice.

Dated: August 4, 2025.

Sherry R. Haywood,
Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0206]

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Rule 19d-1

Upon Written Request, Copies Available From: Securities and Exchange

³⁰ 17 CFR 200.30-3(a)(12).

Commission, Office of FOIA Services,
100 F Street NE, Washington, DC
20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (SEC or "Commission") is submitting to the Office of Management and Budget ("OMB") this request for an extension of the proposed collection of information in Rule 19d-1.

Rule 19d-1 prescribes the form and content of notices to be filed with the Commission by self-regulatory organizations ("SROs") for which the Commission is the appropriate regulatory agency concerning the following final SRO actions: (1) disciplinary actions with respect to any person; (2) denial, bar, prohibition, or limitation of membership, participation or association with a member or of access to services offered by an SRO or member thereof; (3) summarily suspending a member, participant, or person associated with a member, or summarily limiting or prohibiting any persons with respect to access to or services offered by the SRO or a member thereof; and (4) delisting a security.

The Rule enables the Commission to obtain reports from the SROs containing information regarding SRO determinations to delist a security, discipline members or associated persons of members, deny membership or participation or association with a member, and similar adjudicated findings. The Rule requires that such actions be promptly reported to the Commission. The Rule also requires that the reports and notices supply sufficient information regarding the background, factual basis and issues involved in the proceeding to enable the Commission: (1) to determine whether the matter should be called up for review on the Commission's own motion; and (2) to ascertain generally whether the SRO has adequately carried out its responsibilities under the Exchange Act.

It is estimated that approximately eighteen respondents will utilize this application procedure annually, and will file approximately 850 submissions, based upon recent data. The Commission estimates that the average number of hours necessary to comply with the requirements of Rule 19d-1 for each submission is 1 hour. The total annual burden for all respondents is thus 850 hours. The Commission estimates that the internal compliance cost per respondent is approximately \$344 per response. The annual internal cost of compliance for all respondents is thus approximately

\$292,400 (17 respondents × 50 responses × \$344 per response).

The filing of notices pursuant to Rule 19d-1 is mandatory for the SROs but does not require the collection of confidential information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202504-3235-004 or email comment to MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov within 30 days of the day after publication of this notice, by September 8, 2025.

Dated: August 4, 2025.

Sherry R. Haywood,

Assistant Secretary.
