United States Department of Agriculture
National Agricultural Statistics Service

April 10, 2024

Dr. Dennis J. Fixler
Chief Economist
U.S. Department of Commerce
Bureau of Economic Analysis
Washington, DC 20233

Dear Dr. Fixler and Ms. Burrell,

Thank you for your letter of continued support of NASS surveys. The List Frame program combined with the Census of Agriculture are essential for all NASS surveys. They provide us with a population that can be efficiently targeted to obtain the most accurate agricultural data possible in a very short time period, while minimizing respondent burden.

We will keep you informed of any modifications through Federal Register Notices.

Sincerely,

LANCE HONIG
