

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number for this information collection is 0579-0269. The time required to complete this information collection is estimated to average 1 minute per response. Send comments regarding this burden statement or any other aspect of this information collection, including suggestions for reducing this burden, to APHIS.PRA@usda.gov.

NAHMS Equine 2026

Thank you for participating in the NAHMS Equine 2026 study. We greatly appreciate your willingness to help us learn more about equid health considerations at events.

The status of your study components is as follows:
