

United States Department of Agriculture

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number for this information collection is 0579-0269. The time required to complete this information collection is estimated to average 1 minute per response. Send comments regarding this burden statement or any other aspect of this information collection, including suggestions for reducing this burden, to APHIS.PRA@usda.gov.

Thank you for participating in the NAHMS Equine 2026 study. We appreciate the time you took to answer our questions. We know these studies can be time consuming, but they provide valuable information to the U.S. equine industry. These studies could not be completed without you. To view reports from the Equine 2026 study please visit our website at www.aphis.usda.gov/nahms.

Thanks again,

NAHMS Equine 2026 Team
