

Appendix J
Waiver Request Online Form

The following steps and screenshots show the data entry screens that a State agency User would see when requesting a WIC, FMNP or SFMNP Waiver within WiSP. These have been extracted from the draft WiSP User Guide a of 1/29/2025, and show the fields from the actual screens. Step wording extracted is the minimum necessary to understand the step, the use guide may contain additional or more detailed wording.

NOTE: Historically, SFMNP has not had any waivers authorized, however, since WiSP supports all three Programs the functionality has been built to allow for a potential future SFMNP waiver.

1. SA authorized users will be taken to the WiSP **Home** screen upon login. On the **Home** screen, select the **Waiver Requests** button to navigate to the Waivers screen.

2. On the Waivers screen, users can select the **Create Waiver Request** tab to navigate to the Create Waiver Request form.

3. The WiSP Create Waiver Request form is a multi-screen form. The first screen displays 2 fields and a Category Summary & Citations, which is based upon the selections made in the two fields. These are the fields and options by Program available to be selected for the first screen of this form:
 - a. Which Program are you requesting a waiver for?: WIC, FMNP, or SFMNP (single choice)

- b. What Event is the State Agency Experiencing? (WIC or FMNP): Major Disaster Declaration, Emergency Declaration, Supply Chain Disruption, or Public Health Emergency (single choice)
- c. What Event is the State Agency Experiencing? (SFMNP): Major Disaster Declaration (single choice)

4. The second screen of the WiSP Create Waiver Request form displays 1 field and a section that shows a Waiver Summary and Waiver Authority description, which is based upon the selection made in the field. This is the field and options by Program available to be selected for the first screen of this form:
 - a. Which of these best describes the type of wavier the State Agency is requesting? (WIC): Administrative, Benefits, Certification, Food Package, Infant Formula, Monitoring, Vendor Management, or Other (single choice)
 - b. Which of these best describes the type of wavier the State Agency is requesting? (FNMP or SFMNP): Administrative, Benefits, Certification, Monitoring, Farmer Management, Coupon/Food Instrument Management, or Other (single choice)

5. The third screen of the WiSP Create Waiver Request form displays 6 fields to be filled in by the State Agency user:
 - a. Waiver Title (required): Free text field to identify the waiver. Will be used in list views.
 - b. Citation (required): Free text field to identify the reason or legal authority for the waiver.
 - c. Description (required): Free text field to describe the exact Program elements to be waived or changed, and what the State agency would like to use instead.
 - d. Requested Waiver Start Date (required): The date the State agency is requesting for the waiver to start, entered by typing or via a calendar control button.

- e. Requested Waiver End Date (required): The date the State agency is requesting for the waiver to end, entered by typing or via a calendar control button.
- f. Additional Notes (optional): Free text field for adding additional information for FNS review.
