**OMB Control No. 0648-0749**

The National Oceanic & Atmospheric Administration is submitting this non-substantive change request in order to bring the demographic questions in line with the OPM issued memorandum titled, "**Initial Guidance Regarding President Trump's Executive Order *Defending Women***". The only change was to remove the question regarding the applicability of EO 13985. This change is minor and does not affect the public burden.
