**Tornado Watch/Warning Post-Event Evaluation**  
**OMB Control No. 0648-0797**

The National Oceanic & Atmospheric Administration is submitting this non-substantive change request in order to bring the demographic questions in line with the OPM issued memorandum titled, "**Initial Guidance Regarding President Trump's Executive Order *Defending Women***". The only changes were to the questions regarding an individual's sex to remove two response options on the Post-Tornado Interview Questions and the Tornado Survey instrument. These changes do not affect the burden of the public.
