**PAPERWORK REDUCTION ACT INFORMATION**

National Oceanic and Atmospheric Administration (NOAA) conducts the Office of Education, Educational Partnership Program (EPP), and Ernest F. Hollings Undergraduate Scholarship Program in order to promote oceanographic and related education. The information obtained from the form will be used to track the students as they participate in the programs. The information submitted on this form will not be treated confidentially. Public reporting burden for this collection of information is estimated to average 16 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to NOAA Office of Education, 1315 E. West Hwy, Silver Spring, MD 20910. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection displays a currently valid OMB Control Number.

## Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0568. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 28 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are required to obtain benefits. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the NOAA Office of Education, Natasha White, [Natasha.White@noaa.gov](mailto:Natasha.White@noaa.gov).

## Privacy Act Statement

**Authority:** The collection of this information is authorized under 5 U.S.C. 301, Departmental Regulations and 15 U.S.C. 1512, Powers and duties of Department.

**Purpose:** NOAA's Office of Education proposes to collect contact information and associated background information of undergraduate and graduate students, as well as recent graduates, for the purpose of tracking scholarship recipients' academic progress, making annual financial awards, and tracking graduate studies and career progress. This information will not be used to determine program eligibility.

**NOAA Routine Uses:** NOAA will use this information to evaluate and assess student data and information for the purpose of selecting successful candidates for scholarships, fellowships and internships, generating internal NOAA reports, and articles to demonstrate the success of its program.

Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) to be shared among NOAA staff for work-related purposes. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice Commerce/NOAA-14, Office of Education, Educational Partnership Program (EPP); Ernest F. Hollings Undergraduate Scholarship Program and National Marine Fisheries Service Recruitment, Training, and Research Program.

**Obligation to Respond:** Furnishing this information is voluntary; however, failure to provide information may prevent consideration of your application for the program.
