Welcome to the Voluntary Alumni Update System. First time users, please create a log in account to update your alumni status. In order to ensure continued support for our programs, NOAA Office of Education is tracking students who received funding from NOAA. The information that you are asked to provide will be aggregated so that summary statistics may be used and reported. Individual data will be kept private. Your input will greatly assist NOAA in reporting the impact of our education programs.

PRIVACY NOTICE

This system is for authorized use only. Use of this system constitutes consent to security monitoring and testing. All activity is logged with your host name and IP address. Users (authorized or unauthorized) have no explicit or implicit expectation of privacy. Any or all uses of this system and all files on this system may be intercepted, monitored, recorded, copied, audited, inspected, and disclosed to authorized site and law enforcement personnel, as well as authorized officials of other agencies, both domestic and foreign. By using this system, the user consents to such interception, monitoring, recording, copying, auditing, inspection, and disclosure at the discretion of authorized site or law enforcement personnel. Unauthorized or improper use of this system may result in administrative disciplinary action and civil and criminal penalties.

PAPERWORK REDUCTION ACT INFORMATION

National Oceanic and Atmospheric Administration (NOAA) conducts the Office of Education, Educational Partnership Program (EPP) and Ernest F. Hollings Undergraduate Scholarship Program in order to promote oceanographic and related education. The information obtained from the form will be used to track the students as they participate in the programs. The information submitted on this form will not be treated confidentially. Public reporting burden for this collection of information is estimated to average 0.1 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to NOAA Office of Education, 1315 E West Hwy, Silver Spring, MD 20910.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
