

# INNOVATIVE READINESS TRAINING

Premier Military Training for a Secure and Prosperous America

We provide no-cost services with incidental benefit to the United States and its territories while simultaneously creating joint Department of Defense (DoD) training opportunities increasing deployment readiness.

Health care providers deliver services such as optometry, health exams, dental, veterinary care, and public health education.

## Medical

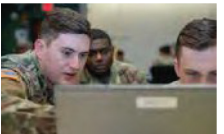

Military personnel offer vertical construction, such as buildings, and horizontal construction, such as utilities, roadways, and other paving activities.

## Construction

In coordination with the community partner, military units conduct surveys and community needs assessments.

## Civil Affairs

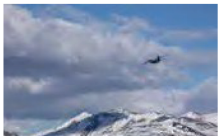

Service members conduct vulner ability assessments and enhance the measures taken by community partners to fortify and defend critical infrastructure.

## Cybersecurity

Designated military aircraft spray insecticides over communities to control or reduce the number of mosquitoes.

## Aerial Spray

Military cargo aircraft transport people, supplies, and outsized expeditionary forces.

## Transportation

Multiple training opportunities are available, and we work with our community partners to identify community needs that align with our training requirements. We want to help!

## Other

**Daryl Fortenberry Jr.**

Monroe/West Monroe  
Wellness Mission, LA

"I am so thankful that I was able to witness the transformative power of teamwork, communication, and dedicated service from our U.S. Military. It's a testament to how our military is using quality training to bring essential and dire medical care to communities in need across the United States."

**Dr. Tai Hunte-Cesar**

VI Wellness  
U.S. Virgin Islands

"The military service men and women of the IRT dedicated hours to providing life-saving medical care to thousands of Virgin Islanders. Their professionalism and service exceeded all expectations, and the entire community is deeply grateful for the comprehensive care."

**Eduardo Beltran**

Cyber Nueces  
Corpus Christi, TX

"It is like when you are buying a brand- new house and the builder has an inspector, but you want someone you trust to see what is wrong with the house, so you also get a private inspector. We are the builders, and the military are the private inspectors."

# Apply Now – IRT.defense.gov

## Who is eligible? (10 U.S. Code § 2012)

- Government entities
- Federal, regional, state, local
- State or federally recognized tribes
- Youth & charitable organizations specified in law (32 U.S. Code § 508)
- Other organizations are reviewed for eligibility by DoD on a case-by-case basis when requested by a Military Service

## Ineligible for support? (10 U.S.C. § 2012)

- Activities that provide no military training value
- Immediate response to natural or man-made disasters
- Commercial development projects
- Use of the Armed Forces for civilian law enforcement purposes

Guam Gov. Lou Leon Guerrero tours the 2024 Guam Wellness Innovative Readiness Training pop-up clinic.

Vermont Air National Guard Airmen return home from a Girl Scouts of Hawaii Innovation Readiness Training mission.

## Applicant Responsibilities

- Complete an application
- Sustainable vision
- Non-competition with the private sector
- Liability release, hold-harmless agreement
- Designs, blueprints, property access
- Construction materials
- Additional partners, donors, & volunteers

## Application Timeline - The process could take up to 2 Fiscal Years

- \* DoD notifies communities of selected projects once IRT's budget for FY is finalized
- \* For smaller community projects, military services may expedite the timeline if no DoD IRT funds are requested

## Program Authorities

- 10 U.S. Code § 2012, *Support & services for eligible organizations & activities outside Department of Defense*
- Department of Defense Instruction 1100.24, IRT: *Support & Services for Eligible Organizations & Activities Outside the DoD*
- Military Service instructions & policies
