Survey Invitation:

Subject Line: Official DoD Housing Satisfaction Survey¹

Dear Resident,

As a resident living in Department of Defense (DoD) government-owned, government-leased, or privatized housing, we invite you to participate in the DoD annual Housing Tenant Satisfaction Survey.

Your participation in the survey is completely voluntary and confidential, so we encourage you to provide feedback on your current housing. Resident feedback is important to help guide future improvements to housing facilities and services.

This survey is being administered through a third party survey firm, xxx company. The survey results are confidential, so please express your true opinions and thoughts. All results from xxx company will be provided to the Military Departments and shared with privatized housing companies, in summarized format only, with no personally identifiable information about the respondent(s).

You can access your survey by clicking on the link below:

[\(Survey Link\)](#)

The link is good for completion of one survey. Please do not forward to any other households for completion – each household included in the survey receives its own unique survey link.

Provided for your awareness is the link to a memo from the DoD Chief Housing Officer, endorsing this DoD Tenant Satisfaction Survey:

(Please note, this link does not provide you access to the survey itself.)

**** An important note from xxx company ****

If you are having trouble using the survey link above, please do the following:

1. Go to xxx survey website and click on “Take Your Survey” in the upper right corner.
2. Click the link for (Survey) Residents
3. Enter your survey ID to begin. Your survey ID is: [F2]

If you have any problems taking the survey, or did not receive a copy of the survey link, please contact your installation Government Housing Office. As an alternative, you can also ask any questions to (Email address).

If the security system on your corporate or military network does not allow you to take this survey, please forward this email to your personal email address and complete the survey from your home or mobile device on a less-controlled network.
