

AGENCY DISCLOSURE NOTICE

The public reporting burden for this collection of information, 0704-0553 is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

[INSTALLATION NAME HERE] believes the active, meaningful involvement of community members is critical to the success of the environmental restoration program. This survey is an opportunity for you to tell us how well we are doing at listening to your concerns about ongoing environmental restoration and cleanup efforts at the installation. Please take a few moments to answer the questions as your views are crucial to the program and will help us to be more responsible to the community's needs and interests.
