Text for Newspaper Legal Notice (JBA and Brandywine)

JOINT BASE ANDREWS SEEKS

COMMUNITY INPUT FOR ENVIRONMENTAL RESTORATION PROGRAM

Joint Base Andrews' environmental restoration program is seeking input from the community surrounding the base and the Brandywine Former Defense Reutilization and Marketing Office on community concerns and questions, whether the community is receiving sufficient information about the environmental restoration program, and how the community prefers to receive information. The Air Force has created a short questionnaire for the local community to complete at: [insert link]. Please complete the survey by [date to be inserted]. More information about the environmental restoration program can be found at: <https://www.jba.af.mil/About/Environmental-Sites/>

Text for Newspaper Legal Notice (Davidsonville)

JOINT BASE ANDREWS SEEKS

COMMUNITY INPUT FOR ENVIRONMENTAL RESTORATION PROGRAM

Joint Base Andrews' environmental restoration program is seeking input from the community surrounding the base's Davidsonville Fuel Oil Spill Site on community concerns and questions, whether the community is receiving sufficient information about the environmental restoration program, and how the community prefers to receive information. The Air Force has created a short questionnaire for the local community to complete at: [insert link]. Please complete the survey by (date to be inserted). More information about the environmental restoration program can be found at <https://www.jba.af.mil/About/Environmental-Sites/>

Text for Emails
