TITLE OF INFORMATION COLLECTION: Customer Satisfaction of Military Community Support Programs Services-Military OneSource Call Center Counseling

PURPOSE:

Military Community and Family Policy, Military OneSource Case Management System (CMS), offers call center and online support for consultations on a number of issues such as career opportunities, issues specific to families with a member with special needs, health coaching, financial and tax counseling and resources, and non-medical counseling. Military OneSource has masters-level consultants available by telephone and email, to provide service members and their families with practical suggestions and support for issues that nearly everyone faces, like locating resources for elder care, handling a move, or nurturing a relationship with a deployed spouse.

This collection will provide participants an opportunity to rate their level of satisfaction with the counseling service provided by the Counselor/Consultant/Coach, allowing the government to receive direct feedback on contractor performance. Data will be collected after every service is completed.

DESCRIPTION OF RESPONDENTS:

Individuals contacting Military OneSource who have received support for health coaching and resources, relationship and non-medical counseling. Each caller to Military OneSource will have distinct needs and preferences. Therefore, it is critical to collect feedback from each of them in support of this effort.
