Good morning Team,

As we discussed, we're looking forward to your participation in our Third Country/Host Nation foreign workforce climate survey. We value your thoughts and would like to gather your feedback on your time with us.

You will be asked a series of questions about your experience working at FLC Bahrain. There are five main categories in this survey: Command Climate; Management; Opportunities; Organizational Structure; and Additional Open Questions. Questions are either in a five-point scale format or allow for open text entry.

The survey is entirely voluntary. Your feedback is valued and is vital to our command "Get Real, Get Better" campaign.

To take the survey, click on the link below or copy and paste into your browser. It will take approximately 15 - 20 minutes to complete.
