Personally Identifiable Information:

1. Is personally identifiable information (PII) collected? ☒ Yes ☐ No

**PII is not collected within the customer feedback questions; however, individuals are provided the opportunity to request an MCCS employee to contact them regarding their customer experience. They may provide their name, email address and phone number to facilitate this contact. Personal identifiers will not be maintained with the individual's feedback responses.

Additionally, respondents who have completed the survey are provided the opportunity to enter into a monthly drawing for a \$50.00 MCX gift card. Winners are chosen by a tool that

randomly selects five entrants who completed a survey during that month. The gift card is a retail industry best practice that incentivizes survey participation. Establishing a fixed gift card amount provides a cost-effective means for budget management.

3. If Yes, has an up-to-date System of Records Notice (SORN) been published? ☒ Yes ☐ No
